No. 267. From Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madura, 27th November 1863, No. 1,325 :—

SIR,

1. In reply to your Memorandum, dated the 20th instant, I have the honor to report that none of the works mentioned in the enclosed statement have been completed; it was thought that they would have been before May.

1 Letter.
1 List.

2. More money was expended on the 5th and 6th works than was originally intended. I propose to strike off Nos. 2, 3 and 4 altogether, and to deduct Rupees 601 from No. 7.

Proceedings of the Madras Government, Public Works Department, *10th December* 1863.

3. The balance of Rupees 5,882 is lying in the Treasury, and I believe under G. O. No. 2,245, of 10th August is not at my disposal.

4. The water project was sanctioned on the 11th September 1851 ; Rupees 28,700-12-8 have been expended on it up to 30th April, and for the current year I have Rupees 4,800. The balance of previous years will assist in the full completion of this long delayed project.

5. The roads on the Pulney Hills were sanctioned on the 15th July 1856, the amount now asked for will serve to improve the pass and communications, but a great deal more would be required to make them complete.

No. 268. ORDER THEREON, 10th December 1863, No. 3,651.

1. In his letter, No. 1,152, dated 13th November 1862, the Superintending Engineer 8th Division, reported that there was a balance of Rupees 5,882 unexpended from the Income Tax grants for 1860-61 and 1861-62 for the undermentioned works :—

	RS.
Madura town water project	3,740

Road on the Pulney Hills	2,743
	7,935
Deduct increased expenditure upon two works ..	2,053

2. In the second of the letters above recorded, Captain Moberly recommends the appropriation of the sum abovementioned in the manner shown below :—

	RS.
Madura town water project	3,740
Road on the Pulney Hills	2,142
	5,882

3. The Government sanctions this arrangement, but requests that Captain Moberly will explain the grounds on which he recommends that the allotments, for the works marginally noted should be struck out to meet the excess cost on the roads between Cariaputty and Aroopoocottah and between Madura and Pauraputty, and how he proposes to provide funds for these works.

4. Seeing that funds were available, the Superintending Engineer was authorized to proceed with the works enumerated in paragraph 2, reporting to Government the manner in which the excess expenditure of Rupees 2,053 on the works marginally noted was to be met. The order quoted by Captain Moberly, viz., No. 2,245 dated 10th August 1863 does not prevent the expenditure of Income Tax allotments in the year succeeding that for which they were made.
